## **Miami County Chapter**

### **Feanix Run 2024**

#### **Who?**

Feanix Storme, a brave young girl who suffered shaken baby syndrome at just six months old.

#### **Why?**

Since then, Feanix has endured:

- A massive stroke resulting in a month-long coma
- Two eye surgeries and spinal surgery to relieve muscle tension
- Brain surgery to separate the left and right hemispheres to reduce seizure activity
- Multiple infections and operations, including the cutting of both Achilles tendons to ease tightness

Despite all this, Feanix remains an incredible source of light—she is resilient, joyful, and one of the happiest souls you'll ever meet. The event helps raise awareness and support for her ongoing medical care.
